Inspiring Readers & Brain Power!

Kindergarten - 1st Grade

The CSC Reading Readiness Program fosters a child's love for learning and reading by building confidence and comfort through an interactive learning experience.

Reading therapists will work with your child in a fun, engaging atmosphere focusing on letter and sound identification and review, phonemic awareness and word creation and manipulation while inspiring your child's inner passion for reading.

As your child's passion is enlivened he or she will gain foundational skills necessary for reading development and long term success in learning.
