

Child Success Center in Santa Monica is looking for educational therapists to join our ET team. Come work in our fun, creative, multi-disciplinary team, in a State of the Art Sensory Integration Gym, 8 blocks from the Pacific Ocean in Santa Monica, CA.

We are looking for Associate and Professional level AET members who are interested in active collaboration with our occupational and speech therapy teams. Our center provides access to materials and supplies as well as a front office staff to help take care of scheduling and billing. We support and value our ETs and offer competitive pay as well as the opportunity for direct service hours. Knowledge of sensory integration is a plus but not required.

Please call – 310.899.9597 or email – officemanager@childdiscoverycenter.com for more information.
