

Full time Lead Pediatric Speech Language pathologist opportunity at Child Success Center in Santa Monica CA.

Are you looking for a team that supports your personal and professional growth in a place you feel valued?

The CSC team is a strong, kind and supportive group of professionals with advanced practice and joy and gratitude for the opportunity to work together every day.

Our interdisciplinary clinic with 4000 square feet of state of the art sensory motor gym offers occupational therapy, educational therapy, and speech language therapy for children and infants with various diagnoses such as developmental delays and fine motor and gross motor, sensory processing disorders, feeding challenges, speech disorders, language disorders, motor disorders, apraxia, auditory processing, social skills deficiencies, autism, ADHD, Dyslexia, learning challenges and much more.

Our combined team of 20 clinicians (Occupational Therapist's, Speech Language Pathologist's and Educational Therapist's), working together creates a strong support system that encourages a child's developmental growth. There is also wonderful parent participation as well as collaboration with outside professionals. We have many opportunities for mentorship, professional and clinical growth.

Responsibilities and Duties:

1. Assessment and treatment of a variety of pediatric diagnosis
2. Strong documentation and communication skills to work directly with parents and educators
3. Training in PROMPT, Talk Tools, Hannen, Social Thinking etc preferred
4. ST team leadership skills

Qualification

1. Masters in Speech and language Pathology
2. CA license
3. 5 plus years of experience in pediatrics with strong assessment, treatment and clinical skills
4. Has desire to manage and grow a private practice

Experienced Speech Language Pathologists with 5 plus years of experience !
Compensation based on experience and skills.
